

## Summer Schedule 2022 Italy-UK

Dear Customer,

Please find following Summer 2022 schedule for imports from Italy to the United Kingdom.

**All services will be standard up to w/c 11th of July.**

Thereafter our summer service will be as follows:

- W/C 18th of July all collections will be regular. Transit time will be approx. 12/13 working days
- W/C 25th of July collections will begin to be scaled down. Transit time will be approx. 15 working days
- W/C 1st of August collections will be skeletal and special requests will need confirmation. Transit time will be approx. 15 working days
- W/C 8th of August collections will be limited due to reduced staff and most companies being closed for holidays Transit time could be up to 20 working days
- W/C 15th of August collections will be limited due to reduced staff and most companies being closed for holidays. Transit time could be up to 20 working days
- W/C 22nd of August collections will begin to be regular. Transit time will be approx. 15 working days
- W/C 29th of August collections will be regular. Transit time will be approx. 12/13 working days

We trust that you find this schedule both helpful; it has been issued in order to help your plan ahead for your imports and avoid unnecessary delays or inconveniences.

We remain, as always, at your service and ready to discuss your observations regarding the above information or any special arrangement.

Kind regards,

Plexus Freight
